

# BIGEDM

As one of the biggest sound-design companies has W. A. Production team decided to start offering free promotion also to all serious EDM producers. Big EDM is a new partner / project by W. A. and exclusively offers reposting services. We have some huge experiences in promoting music as well as great contacts and a big base of REAL followers and subscribers. As all producers probably already know, promotion is currently the most important thing in the modern music industry. Our team will do their best to show your tracks to as many listeners as possible. If you believe, that your music has what it takes to be listened to our 30 000+ followers including TJR, Rave Radio, Melbourne Bounce AU and many many more, than just go ahead !:)

## Instructions
